

emporia Smart Plug (North America)

SMT-OUT-1
SMT-OUT-2
SMT-OUT-4

Sold in packages of 1, 2, or 4 outlets

Description

The Emporia Smart Plug allows you to monitor the energy use and control most home appliances from anywhere with the Emporia App. Control fans, lamps, humidifiers, and other electronics up to 15A, conveniently from your smartphone. Plug your device into the Emporia Smart Plug and connect to the Emporia App. Then you can eliminate wasteful stand-by power, save on electricity, and extend product life.

Features

- Monitor energy use
- Schedule ON/OFF times
- Set timers
- Control remotely from anywhere
- 15A max load
